

EXTRA! EXTRA! READ ALL ABOUT CAMPGROUNDS IN THE NEWEST EDITION OF YOUR GO-TO CAMPING GUIDE!

(PICKERING, ONT. – FOR IMMEDIATE RELEASE) For anyone ready to start planning their next camping trip or put down some roots for the season, you'll want to have extra stock of this publication. The *2019 Camping in Ontario* directory, produced by the Ontario Private Campground Association (OPCA), or Camping In Ontario, is published and ready for distribution to the public.

The free directory includes listings off all privately-owned member campgrounds in Ontario, complete with site counts, service details, and amenities. All campgrounds are sorted into region, making it easy to find your next favourite campground, wherever you're travelling. You'll also find RV listings in the front of the directory if you're in the market to purchase, rent, or service an RV.

The directory will be distributed at 16 consumer RV/trade shows this year across Ontario and Quebec, while tourism centres and RV dealers across the province will have plenty of copies to distribute as well. The directory is also available to consumers in 12 U.S. states and the AAA's across Ohio and Michigan through distribution services. Every year, we distribute 170,000 copies of the directory, and this year will be no different.

This year also marks the 50th Anniversary of Camping In Ontario. Our annual convention in November will be one for the books as we celebrate this incredible milestone with our members. The association has made terrific progress in the past 50 years, and we can't wait to see what's in store for the next 50.

Camping In Ontario is a non-profit membership association for privately-owned campgrounds in Ontario. We provide marketing, education, and advocacy on behalf of our membership in the tourism industry.
